The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Flexim and Yokogawa Parts, Equipment, and Materials

Description:

Lee County Utilities is seeking to execute a single source for Flexim portable and permanent ultrasonic flow meters and Yokogawa gauges, differential, digital controls, signal isolators, displays and DCS controls.

Intended Single Source:

Classic Controls, Inc.

Justification for Single Source Acquisition:

Classic Controls is the only provider in Florida for the Flexim and Yokogawa products. Lee County Utilities has over 90% of this manufacturer's products throughout our water/wastewater system. These products are a very important part of our compliance process and necessary for plant operations.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Classic Control's Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
