The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Econolite Control Products Signal Cabinets, Signal Controllers and Products for Internal Maintenance

**Description:**

Lee County Department of Transportation (DOT) is seeking to execute a sole source for Econolite Control Products signal cabinets, signal controllers and products for internal maintenance of signal and traffic equipment.

**Intended Sole Source:**

Econolite Control Products, Inc.

**Justification for Sole Source Acquisition:**

Econolite is the developer of the Centrac System which is the Advanced Traffic Management System (ATMS) that allows the County to remotely monitor and maintain the signal system. All 447 existing traffic signals in Lee County are equipped with Econolite signal controllers and cabinets. Econolite does not have any authorized resellers, the products must be purchased directly from Econolite.

**Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Econolite Control Products, Inc. for supplying the above.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at [jbrewer-dano@leegov.com](mailto:jbrewer-dano@leegov.com) for future purchase review.
