The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Transit Planning and Scheduling Platform

Description:
Lee County Transit is seeking to execute a sole source for Remix, a cloud-based, software-as-a-service (SaaS) transit planning and scheduling software platform that provides fast and accurate sketch planning using existing stop infrastructure; instant demographic impact analysis; instant cost estimates based on frequency, timetables, and blocking; unlimited custom data layers and GTFS uploads; public engagement and share features; travel-time isochrone visualizations; Title VI Engine; export timetables into excel; and consistent and regular product improvements/feature launches. Additionally, users are able to export changes and proposals into Microsoft Excel, Google Earth, shapefiles, GTFS, and PNG files. Users can share changes to other users, the public and County administration for review and comments.

Intended Sole Source:
Remix Technologies LLC

Justification for Sole Source Acquisition:
Remix is a tool for streamlining Transit's short-term and long-range service planning processes. At present, Transit planners complete a range of functions using tools across several platforms, including ArcGIS, Google Maps, Microsoft Excel and Sched21. Using Remix, Transit planners can quickly map proposed routes and see an estimated cost and potential demographic impact in real time. The acquisition of Remix will support ongoing service equity analyses, route and stop modifications, and a possible system redesign.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Remix Technologies LLC for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
