The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Automated Logic Controls, Inspections, Maintenance Repairs, Programming and Licensing

Description:

Lee County Facilities Construction and Management is seeking to execute a sole source to provide, install, and maintain current Automated Logic Controls throughout Lee County facilities, as necessary. Vendor must be capable of providing software updates and controller upgrades, as necessary. Vendor must be able to provide, replace, and verify Fire and Smoke control operations at the Downtown Justice Center Complex.

Intended Sole Source:

Boyd Brothers Service, Inc.

Justification for Sole Source Acquisition:

Boyd Brothers Service, Inc. is the only authorized vendor that can support all the hardware and software required for the existing Automated Logic controllers. Automated Logic Controls are in 22 Lee County facilities providing advanced technology that simplifies building automation, HVAC control, Fire and Smoke Control Systems, meeting the increasing demand for energy efficiency and sustainability. The software supplied by Boyd Brothers Service, Inc. provides the ability to access information and control the buildings from anywhere using a variety of different devices that makes it easier to access, analyze, understand, and properly manage HVAC and lighting in Lee County facilities.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Boyd Brothers Service, Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
