The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:

In-House Animal Health Diagnostic Blood Testing

Description:

Lee County Animal Services is seeking to execute a sole source, for a period of three-years, for IDEXX SNAP tests to provide in-house diagnostic blood testing for heartworm disease, Feline Leukemia, Feline Leukemia/FIV, Parvo, Giardia, and tick-borne illnesses. Reference laboratory testing will be used to confirm in-house results to test for other conditions in shelter animals.

Intended Sole Source:

IDEXX Distribution, Inc.

Justification for Sole Source Acquisition:

IDEXX Distribution, Inc. is the sole manufacturer of the SNAP test. This type of testing mechanism has been shown to be highly specific and accurate.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from IDEXX Distribution, Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
