The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:

YSI Process Monitoring Equipment and Halogen Sensors

Description:

Lee County Utilities is seeking to execute a sole source for OEM replacement parts, maintenance, repair services, field services and technical support for YSI Incorporated and Halogen Systems. Lee County Utilities has standardized and uses YSI Process monitoring, and Halogen Systems equipment at the Wastewater treatment plants for nutrient monitoring in the biological treatment process units. This equipment provides critical process control information for the operators to optimize treatment.

Intended Sole Source:

CL2 Solutions, LLC

Justification for Sole Source Acquisition:

CL2 Solutions, LLC the sole source of YSI IQ SensorNet process monitoring equipment and Halogen Sensors for products and service in the state of Florida & Georgia. Products will be deemed out of warranty if any ancillary equipment associated with the installation of said products is done by anyone other than the aforementioned representative.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from CL2 Solutions, LLC for supplying the above.
