The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**  
Submersible Lift Station Control Panels

**Description:**

Lee County Utilities is seeking to execute a sole source to purchase 99 submersible NEMA4X control panels, UL verified to withstand 30 days submersed with no water ingress, internal SATIE wiring management system, meeting the requirements in the Lee County Utilities Design Manual and Specifications. The function of these control panels is to safely operate lift stations countywide and replace 99 lift station control panels that were damaged during Hurricane Ian and provide hazard mitigation to prevent possible damage in the future.

**Intended Sole Source:**

Custom Controls Technology, Inc.

**Justification for Sole Source Acquisition:**

Custom Controls Technology, Inc. possesses a unique and singular available capability to meet the requirements of the department. Custom Controls Technology, Inc. holds Patent No.: US 11,653,457 B2 for a submersible control system with a control panel.

**Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Custom Controls Technology, Inc. for supplying the above.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at [jbrewer-dano@leegov.com](mailto:jbrewer-dano@leegov.com) for future purchase review.
