The description of services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Client Services Network Renewal

Description:

Lee County Department of Human and Veteran Services (HVS) is seeking to execute a single source for Client Services Network (CSN) software platform used for the local Continuum of Care's Homeless Management Information (HMIS), as well as the department-wide database for client and contract management. The system must meet all HUD required data standards, be customizable, and HVS must have access to the SOL database.

Intended Single Source:
Bell Data Systems, Inc.

Justification for Single Source Acquisition:

Bell Data Systems' Client Services Network has been completely customized to serve as Lee County's HMIS system and the department wide data system. The system includes modules for contract management, local grant applications, housing program management, and client management. In addition, data has been added to the Client Services Network for more than 10 years. Continuing services with Bell Data Systems' Client Services Network CSN will ensure data continuity.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Bell Data Systems, Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
