The description of services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Equipment and Parts for Prominent, Endress+Hauser, and Capital Controls

Description:
Lee County Utilities is seeking to execute a single source for replacement equipment, repair parts and repair services for Prominent chemical feed pumps, Endress+Hauser and Capital Controls equipment, pH meters, chlorine analyzers, pump controls, calibration cylinders, pump containment, and loop integration systems.

Intended Single Source:
TriNova, Inc.

Justification for Single Source Acquisition:
TriNova, Inc. is the only Prominent pump, Endress+Hauser and Capital Controls equipment authorized distributor in the State of Florida. This equipment is used at all water and wastewater plants for chemical feed pumping, process flow and treatment monitoring, which is required by the Safe Drinking Water Act and Florida Administrative Code.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from TriNova, Inc. for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
