The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Purchase of Cartegraph Software Cloud Move and License

Description:

Lee County Innovation and Technology is seeking to execute a sole source for cloud based Cartegraph Software Suite. Lee County requires a complete solution for managing requests, work, assets, and resources to its asset infrastructure across multiple departments. The software must provide GIS integration, schedule work orders, asset management, and provide centralized database solutions for multiple departments.

Intended Sole Source:

OpenGov Inc.

Justification for Sole Source Acquisition:

Cartegraph Systems LLC has been the sole source provider for the proprietary Cartegraph Software since September 2002 for Lee County Department of Transportation. OpenGov Inc. purchased Cartegraph Systems LLC in July 2022 and is the sole company who can provide the Cartegraph Software Suite, which includes Cartegraph OMS Platform by Domain, User Pack Subscriptions, Advanced Asset Management, Advanced User Tools, Advanced Requests are products within the Cartegraph suite in addition to the Transportation Domain and Storm Domain. This software was solely designed and developed by Cartegraph Systems LLC, and the Cartegraph Shared Cloud Hosting cannot be purchased from any other source. Training, Consultation, and Configuration of Cartegraph OMS must be performed exclusively by OpenGov Inc. Cartegraph is currently utilized by the Traffic Signals, Traffic Signs and Markings, Traffic Warehouse and Engineering Services Construction. In addition, it is used by Facilities Management and Parks for tracking of maintenance, support tasks and work orders, as well as tracking of assets.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from OpenGov Inc. for supplying the above.
