The description of services intended for purchase from a sole source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Kronos Workforce Management System Software Renewal

Description:

Lee County Department of Innovation and Technology is seeking to execute a sole source for Kronos Workforce Management System software and hardware to provide Countywide time tracking services, including software and equipment support and educational services. The support of the software and hardware (including timeclocks) is a continued service. The software and equipment support and educational services are required to ensure operations continue and for continued training of County staff.

Intended Sole Source:

UKG Kronos Systems LLC

Justification for Sole Source Acquisition:

UKG Kronos Systems LLC has created a workforce management tracking package which includes the purchase of software, hardware, and educational support services. Their product is proprietary and cannot be maintained or serviced by any other company. This is the County's current provider.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from UKG Kronos Systems LLC for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
