The description of services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Automatic Vehicle Location & Computer Aided Dispatch Hardware & Software Maintenance

**Description:**

Lee County Transit (LeeTran) is seeking to execute a single source for Clever Devices' hardware products maintenance agreement, provide regular software maintenance to ensure that end users have functioning software products, review and test databases prior to two (2) fleet distributions for planned service changes, be available for on-site support 10 two-day trips, and support text-to-speech functionality on-board Clever Devices-equipped vehicles and on all wayside signs at transfer facilities. The contract will be for a term of one year.

**Intended Single Source:**

Clever Devices Ltd. Incorporated

**Justification for Single Source Acquisition:**

Lee County Transit currently utilizes the Clever Devices' automatic vehicle location and computer aided dispatch hardware and software for vehicle tracking, performance analytics, and passenger and operator communications. No other vendors have been identified due to the proprietary nature of the hardware and software.

**Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Clever Devices Ltd. Incorporated for supplying the above.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at [jbrewer-dano@leegov.com](mailto:jbrewer-dano@leegov.com) for future purchase review.
