The description of services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

Commodity or Service Required:
High-Fidelity Manikin and Medical Procedure Training Equipment

Description:
Lee County Public Safety is seeking to execute a single source for Echo Healthcare Lifecast manikins. Echo Healthcare Lifecast manikins provide realistic qualities enhancing training capabilities in reproducing injuries and illnesses that are not easily reproducible in other manikins within the market. The look, texture, and detail of the manikin resembles that of a real person and thus improves the quality of the training. Echo Healthcare also is the sole provider of 7-Sigma simulation airway training devices which provide realistic training environments with the same look, texture, and detail of the Lifecast manikins. The variety of training capabilities offered by the Lifecast manikins, and the 7-Sigma airway training devices offer a wide array of medical skills that can be offered to all types of healthcare providers.

Intended Single Source:
Echo Healthcare. Inc.

Justification for Single Source Acquisition:
Echo Healthcare. Inc. is the only manufacturer and vendor that provides the style and realism that the purchase requires. There are no other vendors that sell the Echo Healthcare Lifecast manikins or 7-Sigma Simulation devices.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Echo Healthcare, Inc. for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for future purchase review.
