The description of services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will be posted for a minimum of 15 business days.

### **Commodity or Service Required:**

Rice Lake Survivor OTR Series Steel Deck Truck Scale

### **Description:**

Lee County Solid Waste is seeking to execute a single source for the purchase and installation of a Rice Lake Survivor OTR Series, Steel Deck Truck Scale for the Lee Hendry Landfill. This replacement project includes the removal of the existing 31-year-old scale system, that has reached its end of life. The current scale system has major corrosion to its structural components caused by heavy use and exposure to corrosive ash.

### **Intended Single Source:**

Superior Processing & Weighing, LLC

### **Justification for Single Source Acquisition:**

Standardization of the multiple scale systems within the Department's Integrated SW Management System, in both Lee and Hendry Counties, is essential to reducing maintenance costs and minimizing downtime of these critical systems. Rice Lake scale system is currently in use and provides an extended 12-year warranty, further standardization of scale parts across the fleet, and improved diagnostic capabilities for technicians. The 12-year warranty requires a maintenance agreement be established with the installing vendor to perform all inspections, maintenance, and repairs to maintain the warranty.

### **Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Superior Processing & Weighing, LLC for supplying the above.

### **Respond to:**

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at [jbrewer-dano@leegov.com](mailto:jbrewer-dano@leegov.com) for future purchase review.
