The description of services intended for purchase from a sole source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Replacement Parts and Components for Construction and Demolition Debris Recycling System

Description:

Lee County Solid Waste is seeking to execute a sole source for replacement parts and components for the recycling system manufactured by Machinex Technologies, Inc. This equipment is used for the processing of the construction and demolition debris recycling system.

Intended Sole Source:

Machinex Technologies, Inc.

Justification for Sole Source Acquisition:

Machinex Technologies, Inc. is the sole manufacturer of the currently installed screening system and the only company that can provide the proprietary replacement parts and components.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Machinex Technologies, Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for review.
