The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Reinforced Concrete Culvert Pipe

Description:
Lee County Department of Transportation is seeking to execute a single source for reinforced concrete culvert pipes formed with the molds from Rinker Materials' previous design which are the standardized culvert pipe throughout Lee County.

Intended Single Source:
Foley Products Company

Justification for Single Source Acquisition:
Foley Products Company bought Rinker Materials and the molds of its concrete culvert pipe. These molds are crucial to the installation of culvert pipe throughout Lee County. Rinker Materials changed their design, and the new design does not match up to the existing culvert pipe installed.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Foley Products Company for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for review.
