The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Inventory and Asset Management Licenses

Description:
Lee County Public Safety is seeking to execute a single source for asset management and inventory tracking. Operative IQ allows the County to track all assets, inventory, RFID tracking, and medical supplies, currently more than 6,000 items are tracked in the system.

Intended Single Source:
Operative IQ

Justification for Single Source Acquisition:
Operative IQ is Public Safety's provider for asset management and inventory tracking since 2021. Operative IQ is the direct seller of the Operative IQ software. Operative IQ does not have any authorized resellers, the products are marketed directly from Operative IQ and must be purchased directly.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Operative IQ for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for review.
