The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Smart Cards and Media Fare for Transit System

Description:

Lee County Transit (Lee Tran) is seeking to execute a single source for media fare smart cards that come in a variety of preprogrammed prices that are compatible with our Genfare manufactured fare collection system on our fixed route buses. In addition, we also need to purchase a smart card that can be "loaded" with funds by the customer at our transfer stations and main office, through our Genfare manufactured vending machines and via a mobile app.

Intended Single Source:

Genfare, LLC

Justification for Single Source Acquisition:

Lee Tran uses Genfare, LLC as our fare collection system. The media fare that we order from Genfare is compatible with this fare collection system. Lee Tran standardized the collection system to Genfare in 2018 and all equipment is Genfare manufactured.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Genfare, LLC for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for review.
