The description of services intended for purchase from a sole source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:

In-house diagnostic blood testing for heartworm and other related diseases

Description:

Lee County Animal Services is seeking to execute a Sole Source for SNAP Test by IDEXX. This SNAP Test is used for in-house diagnostics blood testing for heartworm disease, Feline Leukemia, Feline Leukemia/Feline Immunodeficiency Virus (FIV), Parvo Virus, Giardia, and Tick-Borne illnesses. IDEXX SNAP tests are rated among the highest for accuracy in the field of in-house animal testing. Reference laboratory testing to confirm in-house results to test for other conditions in shelter animals.

Intended Sole Source:

IDEXX Laboratories Inc.

Justification for Sole Source Acquisition:

IDEXX is the sole manufacturer of SNAP Tests and the only company that can provide the SNAP Tests.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from IDEXX Laboratories Inc. for supplying the above.

Respond to:

If your firm feels they can supply the above, please contact Connie Prevatte, Lee County Procurement Management at cprevatte@leegov.com for review.
