Commodity or Service Required:

High Performance Southern Overseeding Rye Grass – Treated

Description:

Lee County Parks and Recreation is seeking to execute a sole source for rye grass to be used in the care and maintenance of the Spring Training fields at the Lee County Sports Complex and Jetblue Complex. The fields must have rye grass during Spring Training to help with wear and tear from the teams and help with the appearance of the fields for the fans and televised games.

Intended Sole Source:

Heritage Landscape Supply Group, Inc. DBA Heritage Professional Products Group

Justification for Sole Source Acquisition:

Heritage Landscape Supply Group, Inc. DBA Heritage Professional Products Group is the sole provider of the High Performance Southern Overseeding Blend that has been proven to be more durable and drought tolerant. It gives the teams the quality, safety, and playability they expect of the fields.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Heritage Landscape Supply Group, Inc. DBA Heritage Professional Products Group. for supplying the above.
