The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Siemens Russelectric Programmable Logic Controller Hardware and Communications

**Description:**

Lee County Facilities Construction and Management is seeking to execute a single source for replacement of the existing discontinued GE Fanuc 90-30 series PLC hardware and Genius communications (obsolete) with the latest Rx3i PLC hardware and Profinet communications. Replacement of the existing OIP with a new 19" Siemens touch screen with a new Wonderware "E" Box processor running the latest Wonderware software. Provide the conversion process and programming to replace the following in such a way to minimize downtime.

**Intended Single Source:**

Siemens Industry, Inc., Russelectric, A Siemens Business

**Justification for Single Source Acquisition:**

Siemens Business does not authorize, nor does it recognize maintenance, upgrades or repairs performed by third parties on Russelectric Control and Switchgear equipment. The Emergency equipment manufactured by Siemens Industry, inc. dba Russelectric, A Siemens Business and installed at the facility is a custom-built system.

**Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Siemens Industry, Inc., Russelectric, A Siemens Business for supplying the above.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at [jbrewer-dano@leegov.com](mailto:jbrewer-dano@leegov.com) for review.
