The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Full Body X-Ray System for Rapid Assessment Forensic Pathology

Description:
The Office of the District 21 Medical Examiner is seeking to execute a single source for a Forensic-specific eXero-dr Critical Imaging System full body x-ray system for rapid assessment forensic pathology. System to include flexible-format digital radiography (DR) image formation, patient imaging and positioning flexibility, smart trolley/gurney, system console, monitor, workstation computer, x-ray system, x-ray generator, x-ray tube, detector. This shall also include installation, FDA Commissioning, and Applications training.

Intended Single Source:
Lodox Systems North America, LLC

Justification for Single Source Acquisition:
Lodox Systems North America, LLC has installed their eXero-dr Critical Imaging Systems in 7 different district medical examiner's offices in Florida over the past 12 years. Purchasing the eXero-dr Critical Imaging System will allow standardization with other medical examiner offices in the state of Florida. EXero-dr Critical imaging systems are specifically designed for a forensic pathology setting. There are no other comparable machines (i.e. CT) that performs rapid postmortem x-ray scans at high resolution.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Lodox Systems North America, LLC for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for review.
