The description of services intended for purchase from a sole source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Livestock Show Registration and Auction Application for Ag Expo

Description:
Lee County Parks & Recreation is seeking to execute a sole source for a cloud-based solution for livestock show management. Application must provide a platform to accept online registration entries, process payments, and manage livestock expositions and auctions. Platform must allow the staff to manage and promote sponsorships for the Ag Expo event.

Intended Sole Source:
Maynetainable, LLC

Justification for Sole Source Acquisition:
Maynetainable, LLC is the sole manufacturer of the Showman.app platform that was used during the 2024 Ag Expo event to manage all livestock related transactions in one application without the need to purchase additional software for each element: registration, event management, sponsorships, auction management, and related credit card processing services.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Maynetainable, LLC for supplying the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Jennifer Brewer-Dano, Lee County Procurement Management at jbrewer-dano@leegov.com for review.
