The description of services intended for purchase from a sole source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Purchase of Fiesta Village Water Reclamation Facility East Clarifier Rehabilitation

**Description:**

Lee County Utilities is seeking to execute a sole source for OEM equipment, replacement parts, retrofits, rehabs and field services for the companies: Davco, Envirex, JetTech SBR and RJ Environmental Vapor Phase Odor Control by Evoqua Water Technologies, LLC. The equipment, replacement parts, retrofits, rehabs and field services will be used to perform rehabilitation of the East Clarifier at the Fiesta Village Water Reclamation.

**Intended Sole Source:**

Evoqua Water Technologies, LLC

**Justification for Sole Source Acquisition:**

Evoqua Water Technologies, LLC is the sole manufacturer and provider of OEM equipment, replacement parts, retrofits, rehabs and field services for the companies: Davco, Envirex, JetTech SBR and RJ Environmental Vapor Phase Odor Control and the only company that can provide the necessary labor, equipment, and tools to perform rehabilitation of the East Clarifier at the Fiesta Village Water Reclamation Facility, which is made by Envirex.

**Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Evoqua Water Technologies, LLC for supplying the above.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Daniel Goggin, Lee County Procurement Management at dgoggin@leegov.com for review.
