The description of services intended for purchase from a sole source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Purchase of Beamex Calibration Systems and Support Services

Description:

Lee County Utilities Department is seeking to execute a sole source for Beamex Calibration Systems and Support Services by Beamex, Inc. These Beamex Calibration Systems and Support Services are used for the precision of instruments crucial for monitoring and controlling water treatment processes to ensure water quality and safety.

Intended Sole Source:

Beamex, Inc.

Justification for Sole Source Acquisition:

Beamex, Inc. is the sole manufacturer of the CMX Professional Calibration Software, Software Support, Beamex Certified Training, MC6 Calibrator/Communicator and all associated accessories and services and the only company that can provide support services for Beamex systems.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Beamex, Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Daniel Goggin, Lee County Procurement Management at dgoggin@leegov.com for review.
