The description of services intended for purchase from a single source is posted following section 3.9, Procurement Ordinance 23-21, and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Purchase of Library Automated Materials Handling Equipment and Service

Description:

Lee County Library System is seeking to execute a single source for automated materials handling (AMH) equipment and software maintenance by Lyngsoe Systems, Inc. This automated materials handling (AMH) system is designed exclusively for libraries and used for automated handling and sorting of Library materials.

Intended Single Source:

Lyngsoe Systems, Inc.

Justification for Single Source Acquisition:

Lyngsoe Systems, Inc. designs, manufactures, and installs turnkey automated materials handling (AMH) systems exclusively for libraries. Due to the exclusive nature of this equipment, the hardware is manufactured with proprietary components and software. It is imperative that all hardware and software be supported directly by Lyngsoe Systems in order to maintain manufacturer warranties and to ensure the equipment is kept in like new working order. All service work on these systems must be carried out by Lyngsoe Systems Inc.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Lyngsoe Systems, Inc. for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Kevin Walker, Lee County Procurement Management at KWalker2@leegov.com for review.
