The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21, and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Purchase of Equipment and Parts for Prominent, Endress & Hauser, De Nora Water Technologies

**Description:**

Lee County Utilities is seeking to execute a single source for replacement equipment, repair parts, and repair services for ProMinent chemical feed pumps, Endress Hauser and De Nora Water Technologies equipment, pH meters, chlorine analyzers, pump controls, calibration cylinders, pump containment, and loop integration systems by Trinova, Inc. This equipment is used at all water and wastewater plants for chemical feed pumping, process flow, and treatment monitoring which is required by the Safe Drinking Water Act and Florida Administrative Code.

**Intended Single Source:**

TriNova, Inc.

**Justification for Single Source Acquisition:**

TriNova, Inc. is the only ProMinent pump, Endress Hauser, and De Nora Water Technologies equipment authorized distributor in the state for Florida.

**Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from TriNova, Inc. for supplying the above.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Kevin Walker, Lee County Procurement Management at [KWalker2@leegov.com](mailto:KWalker2@leegov.com) for review.
