The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

**Commodity or Service Required:**

Purchase of water level and water quality Instruments

**Description:**

Lee County Utilities is seeking to execute a single source for water level and water quality instruments by In-Situ Inc. These instruments are used for measurement and data logging to monitor parameters, such as water level, temperature, and conductivity.

**Intended Single Source:**

In-Situ Inc.

**Justification for Single Source Acquisition:**

In-Situ Inc. is the sole provider of the data loggers and accessories that are installed in the 120+ production wells and 70+ water monitoring stations owned and operated by Lee County Utilities and the purchase is necessary to maintain standardization amongst the County's existing system.

**Recommended Procurement Approach:**

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from In-Situ Inc. for supplying the above.

**Respond to:**

If your firm feels they have the ability to supply the above, please contact Kevin Walker, Lee County Procurement Management at [KWalker2@leegov.com](mailto:KWalker2@leegov.com) for review.
