The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21, and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Purchase of AngelTrax Video and Audio Surveillance

Description:

Lee County Transit is seeking to execute a single source for AngelTrax Video and Audio Surveillance mobile digital recorder VX4AI (intelligent dashboard camera), cellular modem IBRS750LP4 as well as necessary peripherals by IVS, Inc. DBA AngelTrax. This video and audio recorder will bring a driver safety and behavior monitoring/alerting (as well as scoring of driving performance) component to each vehicle as well as the ability to view live feed (and past recordings) from all cameras installed in each revenue vehicle remotely at LeeTran headquarters. This addition will allow Increased passenger and operator safety, accuracy and efficiency of responses to safety and security events, reduce need for staff ride-a-longs, and rapid assistance with post-accident testing decisions.

Intended Single Source:

IVS, Inc. DBA AngelTrax

Justification for Single Source Acquisition:

IVS, Inc. DBA AngelTrax is the direct single provider of all mobile video surveillance and system components used by LeeTran in their revenue fleet.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from IVS, Inc. DBA AngelTrax for supplying the above.

Respond to:

If your firm feels they have the ability to supply the above, please contact Kevin Walker, Lee County Procurement Management at KWalker2@leegov.com for review.
