The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21, and will be posted for a minimum of 15 business days.

Commodity or Service Required:

Purchase of **Power RICH Systems, LLC SCADA Pack Telemetry and GeoSCADA Software**

Description:

Lee County Utilities seeks to execute a single source procurement for SCADA Pack telemetry equipment, support, and service. SCADA Pack is used to monitor and control lift stations and remote facilities within Lee County's utilities infrastructure. These units collect real-time data from sensors and devices at various sites. The GeoSCADA software manages and monitors the remote SCADA Pack units.

Intended Single Source:

Power RICH Systems, LLC

Justification for Single Source Acquisition:

Power RICH Systems, LLC is the area provider of service and support for all Schneider Electric SCADA and Telemetry products to Lee County Utilities.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Power RICH Systems, LLC for supplying the above.

Respond to:
