The description of services intended for purchase from a single source is posted in accordance with section 3.9, Procurement Ordinance 23-21 and will be posted for a minimum of 15 business days.

Commodity or Service Required:
Purchase of AED Service and Equipment

Description:
Lee County Public Safety seeks to execute a single-source procurement for AED service and equipment by Avive Solutions, Inc. This device connects with Lee County 9-1-1 to provide real-time, live information and dispatch fire/EMS calls. This connection allows dispatchers to dispatch AEDs and bystanders to individuals experiencing cardiac arrest issues, increasing access to potentially life-saving care.

Intended Single Source:
Avive Solutions, Inc.

Justification for Single Source Acquisition:
Avive Solutions, Inc. is the sole manufacturer and distributor of this device. Avive Solutions, Inc. does not authorize resellers to sell their products or services. Lee County currently maintains 199 Avive Solutions, Inc. AEDs in various county-owned and managed buildings and facilities and is looking to continue the use of the 911 dispatch connectivity as well as purchase additional devices.

Recommended Procurement Approach:
For the reason(s) stated above, Lee County Procurement Management intends to utilize the Single Source Procurement method to purchase from Avive Solutions, Inc. to supply the above.

Respond to:
If your firm feels they have the ability to supply the above, please contact Kevin Walker, Lee County Procurement Management at KWalker2@leegov.com for review.
