Commodity or Service Required:

Purchase of Gradall Excavator Parts and Service

Description:

Lee County Flee Management seeks to execute a sole-source procurement for Gradall OEM parts and service by Great Southern Equipment, LLC. These parts and services are used to maintain the fleet of 7 excavators and ensure their continued optimal operation throughout the year.

Intended Sole Source:

Great Southern Equipment, LLC

Justification for Sole Source Acquisition:

Great Southern Equipment, LLC is the exclusive authorized dealer of Gradall OEM parts and service in Lee County. While there are some after-market suppliers in the area, they are not all-inclusive dealers and cannot provide the OEM parts required to maintain the integrity of the fleet.

Recommended Procurement Approach:

For the reason(s) stated above, Lee County Procurement Management intends to utilize the Sole Source Procurement method to purchase from Great Southern Equipment, LLC for supplying the above.
